Aurora

PROGRAMME COMPLIANCE

To which specific objective of the Interreg Aurora programme does your project contribute?
Please note that it is only possible to select one of the specific objectives. If your project contributes to more than one specific objective, please select the specific objective that is most relevant with regards to the main focus of the project.

PRIORITY 1. Smart and sustainable growth

Enhancing research and innovation capacities and the uptake of advanced technologies.

Enhancing growth and competitiveness of SMEs.

PRIORITY 2. Green and sustainable transition

Promoting climate change adaptation and disaster risk prevention, resilience, taking into account eco-system-based approaches.

Enhancing protection and preservation of nature, biodiversity and green infrastructure, including in urban areas, and reducing all forms of pollution.

Promoting sustainable multimodal urban mobility, as part of transition to a net zero carbon economy.

PRIORITY 3. Education, culture and sustainable tourism

Improving equal access to inclusive and quality services in education, training and lifelong learning through developing accessible infrastructure, including by fostering resilience for distance and on-line education and training.

Enhancing the role of culture and sustainable tourism in economic development, social inclusion and social innovations.

PRIORITY 4. Better and more sustainable cross-border governance

Other actions to support better cooperation governance.
